

社会資本総合整備計画（防災・安全交付金）

計画の名称	四街道市宅地耐震化推進事業（防災・安全）		
計画の期間	令和3年度から令和4年度	交付対象	四街道市

【調査対象】 71箇所

The map displays the geographical outline of Shikokuchō, with several distinct areas shaded in light gray. These shaded areas represent the 71 investigation target locations. The locations are distributed across the city, with a higher concentration in the central and northern parts. Each location is indicated by a small black circle with a white center, and some are accompanied by small alphanumeric labels. The map also shows major roads and the city's coastline.
